American Bank Center names Greg Vetter president of Client Services

BISMARCK, N.D. – In alignment with American Bank Center’s growth ambition and geographic expansion, Greg Vetter has been hired in the new role of Client Services president.

In this position, Vetter will be responsible for growing the bank’s trust, wealth management, insurance, home mortgage and business consulting services. He will provide leadership for the current markets as well as the recently entered Great Falls and Billings, Montana, markets.

“We are always looking for opportunities to continue growing both organically and geographically,” said David Ehlis, American president/CEO. “Having Greg’s expertise in this new position will help American better serve our communities as he will determine ways to expand services to the benefit of our customers.”

Vetter has 27 years of experience in the banking industry, including working at American in the roles of American Trust Center chief operating officer and later president/CEO, Bank Center First president/CEO, Bismarck Region President and American Bank Center Chief Operating Officer. Vetter spent the past seven years serving as the University of Mary’s executive vice president and chief of staff.
